Dear \_\_\_\_\_,

United Way of Perry County is once again preparing for their **Christmas Angel Store**.

Due to the Covid-19 Pandemic the shopping experience will look different - **The United Way of Perry County** staff & volunteers will pre-package your child's gifts. You will be assigned a date/time to "Drive-Thru" pickup your items at Ivy Tech Community College.

**Before you can be registered, I need to be able to contact you to set up a pick up time. Individual families will not be able to participate without a referral source.**

If you are interested in participating in this program please return this form with the information below completed. If you have any questions please feel free to call me.

**Please be as specific as possible with sizes for each child.**
