

Perry County Announces 1st Annual Burger Week to Support Childhood Literacy – Brought to you by United Way of Perry County & Perry County Chamber of Commerce

Perry County, IN – Get ready, burger lovers! The **1st Annual Perry County Burger Week** is set to take place from **June 2nd^t – June 8th**, bringing together local restaurants, foodies, and community members for a week-long celebration of delicious, creative burgers—all while raising funds for a great cause.

Modeled after the highly successful **Owensboro Burger Week**, Perry County’s event will invite participating restaurants to craft unique, limited-time burgers available at a special price. A portion of each Burger Week burger sold will go directly to the **United Way of Perry County’s Literacy Fund**, supporting early childhood literacy programs across the county.

“Burger Week is more than just a great excuse to indulge in delicious food—it’s a way for the community to come together, support local businesses, and make a real impact,” said Lacy Jones at United Way of Perry County. **“By simply enjoying a burger, residents can help provide books and educational resources to children in our community.”**

How It Works:

- Participating restaurants will create a **special Burger Week burger** available exclusively during the event. We can also help you create a burger by collaborating with **Tell City High School Culinary Arts** students!
- Burgers will be sold at a **reasonable cost** to encourage customers to try multiple locations.
- A portion of sales from each Burger Week burger will be donated to the **United Way of Perry County’s Literacy Fund**.
- **Voting & Judging:** Diners will have the opportunity to vote for the **People’s Choice Best Burger**, while a panel of local judges will also determine the **Best Overall Burger in Perry County** based on taste, creativity, and presentation.
